Dear Mr Laird

This is to confirm that the UTS Union Sport & Recreation Department has reviewed the DOUTS Code of Conduct for divers. The Code of Conduct outlines general safe diving practices and imposes expectations on each DOUTS member to manage their own diving according to the level of qualification held and their experience level. UTS Union Sport & Recreation endorses this as an important component of the DOUTS risk management program.

The UTS Union Ltd believes that DOUTS has made significant improvements in risk management recently and compliments the Committee on its approach.

Kind Regards,
